The Ouestion of "What to Give" --

There are several things about selecting furniture pieces for gift-giving purposes that you may not have thought of.

When you give furniture you can rest assured:

First—that such a gift will be appreciated.

Second—it will be used.

Third—it will be on hand long after novelties have been forgotten.

Fourth—your furniture gift will not "fade" or go "out of style."

Fifth—it will bring comfort in addition to pleasure.

Sixth—although the gift belongs to the recipient; all members of the family can enjoy it.

Seventh—it usually fills a want or a need of the one who is to receive it. It adds to the attractiveness and beauty of the home.

And so we could go on enumerating reasons. Give the question the serious thought it deserves, for you DO wish to give something sensible, practical and useful. We are sure of that.

Welcome to look through. Come as often as you like. Stay as long as you like.
